

# *Do-it-yourself treatment*

Liniment for treatment of sprains, strains and rheumatism in horses

## **PENETRENE 'A' LINIMENT**

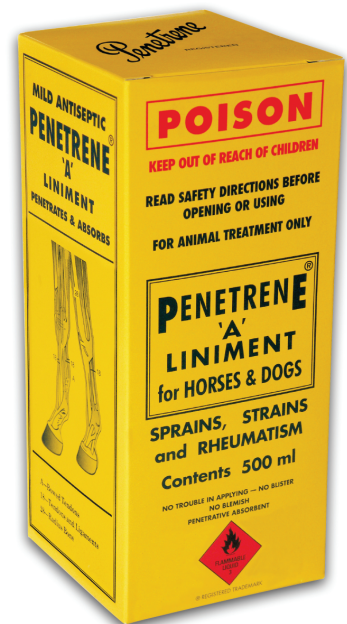

Liniments are effective treatments for injured and inflamed joints, muscles and tendons.

The 'natural oils' in **Penetrene 'A' Liniment** reduce inflammation and pain. It is recommended to be applied regularly to legs and muscles.

**Penetrene 'A' Liniment** is applied directly to the injury. Topical, targeted, effective treatment.

### **Benefits of Penetrene 'A' Liniment are:**

- ◆ Proven treatment for injured and inflamed joints, muscles and tendons
- ◆ Fast cooling with pain relief of joints, muscles and tendons
- ◆ Easily applied undiluted or diluted; see Directions For Use
- ◆ As a 'leg wash' to prevent and treat shin soreness. For 'tying up'.
- ◆ For regular and long-term applications
- ◆ All-over body 'wash' to cool horses following competition, exercise or racing
- ◆ Easy to prepare and apply – cost-effective treatment

Aniseed Oil 3.7g/kg  
Sassafras Oil 2.6g/kg  
Menthol 11.4g/kg

**Solvent** – Acetone 793g/kg

### FOR THE RELIEF OF SYMPTOMS OF SPRAINS, STRAINS AND RHEUMATISM

No trouble in applying – No blister – No Blemish  
Penetrating – Absorbent

### DIRECTIONS FOR USE

PENETRENE leg wash. Apply freely and bandage under cotton wool for two to three hours or overnight.

### WITHHOLDING PERIOD

NIL.

### PREPARATION OF PENETRENE LEG WASH

13mL of Penetrene 'A' liniment  
750mL of Water or Witch Hazel  
250mL Vinegar  
A little saltpetre (potassium nitrate) [only if available]

After workout or racing, sponge the legs and the body muscles with the PENETRENE wash.

PENETRENE keeps joints, muscles and skin healthy.

### DIRECTIONS FOR USE (undiluted solution)

In cases of sprains and strains formen (warm or heat up) the part or area with hot water. Dry thoroughly, stimulate well by massaging. Apply a little PENETRENE full strength. Enough to wet the hair several times, each time working it well in with the fingers and thumb from outside to the centre of the sprain or strain. Apply three times daily for three to four days, then once a day morning and night.

### SAFETY DIRECTIONS

Avoid contact with eyes, wash eyes with water to remove PENETRENE wash. Do not inhale vapor. Wash hands after use of the product.
